PORTFOLIO

Flowers Garden is one of the largest gardening and landscaping businesses across Uzbekistan, that is built on quality performance and outstanding customer service. Founded in 2018, the company has grown into one of the most competitive and versatile landscape contractors in the country with the international reach. Today, the company employs more than 350 employees concentrated in production, and around 1,200 employees directed on construction and installation works, each having a strong contribution to the development of the company with their outstanding knowledge and expertise.

While implementing the latest technologies and modern standards, the company has established strong cooperative relationships with Turkey, Belgium and Italy. It is also important to note that the project Flowers Garden was proposed by foreign partners and developed by local qualified specialists
